## 4 April 2021 – Easter Sunday

### Greetings

I wish you every joy and blessing for this most wonderful feast and hope you have the opportunity to meet outside with your family and friends. On your behalf, I would like to thank those who have enabled us to reach this time as a still vibrant parish – especially those who have kept our churches open and clean, and ensured our lines of communication remain working. Our liturgies have obviously been very different during this last year and we have all had to learn new ways of praying together and on our own; this will surely bear much fruit in the long term. For now, please remember too that there is no obligation to attend Mass, particularly if you are in any way vulnerable. I know that many people have helped to ensure that there has been generous support for the those who might otherwise have struggled for some of the basics of daily life.

**Confirmation:** a number of our young people are currently following a course of preparation for this Sacrament – please pray for them and for all our young people who must make courageous life choices: their faith is central to that process

**Sponsored Walk:** thank you for your great generosity – money is still coming in for both charities.

**Outreach** Thank you for your continuing support of the Food Bank – ever more essential. Tins and dry goods only please
