### 27 June 2021 – Thirteenth Sunday of the Year

#### Greetings

**St Anne's House:** Bishop John blessed the house last Sunday and the first residents moved in on Monday. We must be enormously grateful to all the kind people who have made it possible – the donors who were so generous, the builders and the supervisors who made sure that everything went to plan and followed all the regulations, the people who managed access during the building works. Thank you, thank you. The house will be managed by Salford Property Link but our parish commitment is to keep the residents in our prayer and to welcome them as part of the community – No one is beyond reach!

**Sacramental Programme:** The programme of First Communion Masses had an upset when one of the school classes had to join others in self-isolation; the children and parents were very disappointed but we will find a convenient date as soon as possible. Please keep the children and their families – and their teachers - in your prayers

**Lockdown:** We are still waiting for further clarity on numbers allowed in church for specific celebrations but it seems as though face masks and social distancing are still required. Many more people are being vaccinated which will help the decision making process but only come to Mass if you feel it is safe. If you know anyone who needs particular support please inform Fr John or a member of the SVP or the Safeguarding team

**Outreach** Thank you for your generous support of the Food Bank – they are very grateful for your donations. It will be important to keep up with this important work during the summer
