## 12 September 2021 – Twenty Fourth Sunday of the Year

### Greetings

#### Celebrating the Season of Creation 2021:

You are invited to join us on Sunday, 19 September, at 3.00pm at Wardley Cemetery where we will plant a tree in the *Life for a Life Memorial Forest* in memory of our loved ones and all who have died during this Covid pandemic. During our short prayer service, we will also commit ourselves to working together to care for our common home through prayer and concrete actions to address the environmental crisis facing our world today. As you leave Mass today you can take a little note which will be planted under the tree (an English oak) as a symbolic gesture of your commitment. Those unable to attend Mass can send their note either by email or by posting it through the door at Christ the King

*In love and gratitude for the life of \_\_\_\_\_, I will work to protect all of creation for future generations by \_\_\_\_\_*  
(possible choices: planting a tree/garden; petitioning government leaders to make concrete plans to address climate change; using less energy or using energy more efficiently; limiting my use of single use plastics etc.)

#### Changing weekend Mass times

The initial response has been positive and by next weekend we should be able to make the decision and let people know. For those who still need to attend Mass on screen, there are many livestream options at that time, particularly at Salford Cathedral. <https://www.dioceseofsalford.org.uk/watch-the-salford-cathedral-livestream>

**Church Protocols:** We still need to use the hand sanitiser and masks. If you know anyone who needs particular support during these difficult times please inform Fr John or a member of the SVP or the Safeguarding team

**Outreach:** The Food Bank donations are much needed and greatly appreciated – thank you for your generosity
